## **CARNIVAL FUNDS FOR LOCAL ORGANISATIONS**

As the Otley Carnival Committee meets this month to start planning for the 2012 Carnival on 16<sup>th</sup> June, they are inviting applications from local charities and organisations who would like to benefit from this event – as usual the Committee is looking for groups who can be seen to benefit the local community through their activities and who would be prepared to help the committee with their fund raising activities. Beneficiary application forms are available from Otley Library or by contacting Ann Steval on 01943-466995 or email to [steval@btinternet.com](mailto:steval@btinternet.com).

## **PATRONS NEEDED**

If the Carnival Committee is to be able to give generous financial donations to its beneficiaries as it has in previous years, it will depend as ever on the whole hearted support of local residents and businesses and would like to remind all those who love the Carnival but do not have the time to help in practical ways that they can support this event by becoming Patrons. The minimum Patron's subscription is £5 – all patrons have their support acknowledged in the Carnival programme and receive a free copy of the programme before Carnival Day. Anyone who would like to support the Carnival in this way, should send their subscriptions to Otley Carnival, c/o 4 Trinity Rise, Otley LS21 1RG or contact Ann Steval for more details on 01943-466995 or email [steval@betinternet.com](mailto:steval@betinternet.com)
